94-415 Makapipipi Street, Mililani HI 96789 Ph. 808-625-2800 E. info@marisgardens.com

Private Events & Dinner Tour Information

In an atmosphere that highlights our tranquil garden we invite our guests to an aquaponic dining experience that seats 36 guests comfortably. Enjoy a light tour through our nursery as we touch on the many things we cultivate and grow, such as farm raised fish, hydroponic greenhouses, aquaponic systems, custom pond system, nursery, plants and all that Mari's Gardens has to offer. We frequently get asked many questions regarding our private dinners and events. We hope that this answers many of them and please feel free to contact us for further information; we look forward to your next booking. Mahalo!

What is the cost for renting the garden space?

The entire garden area along with the aqua dining table can be rented privately for \$750. Any special request for detailed flowers or specific colors can be discussed.

What time can I book my event?

We are very flexible and can accommodate most requests for Brunch (9:00 - 2:00), Lunch (10:00 - 3:00) or Dinner (4:00 -10:00) events. Being that we are located in a residential area, we ask that all live and DJ'd music commence at 10:00pm in compliance with MTA.

Is there a minimum or maximum for a private dinner?

We do ask that you have a minimum guest count of 15 for private dinners in the garden. The aquaponic dining table can seat 36 guests comfortably, however the entire garden area can accommodate up to 85 people. We have unique stone and marble picnic tables that guest can enjoy while at your event.

Parties of 80-100 guests have an option of using the garden area as well as the open paved lanai area. Additional planning and set up may be required depending on your event. Please ask to speak with someone for further details or visit us on our website at marisgardens.com

How much would it be to add on the garden tour to my event?

*The garden tour is a guided 1 hour behind the scenes stroll through our 17 acre hydroponic & aquaponic areas. We will introduce your guests to Mari's Gardens and all that it has to offer. Sharing with them our ways in soilless farming and fish cultivation as well as what we grow and sell here at the farm.
15 guests - \$8 per person ~ 36 guests - \$5 per person ~ 75+ guests - \$3 per person*

Do we offer catering or Brunch, Lunch and Dinner menu options?

We have a list of preferred caterers and vendors that we have enjoyed and used with many of our farm to table dinners. Please see our attached information for further details and contact information.

Where would my guests and vendors park?

We have a designated area near the garden and the pavilion for your vendors and guests. They are able to off load and set up their things with ease right in front of the garden and park nearby off to the side.

Your guests are able to park in the front of the gardens, along side of the entry lane and up Makapipipi Street. They would then walk down the path to the garden area. Signs can be posted during events and Mari's Gardens staff can assist with directions and working with your appointed parking person to guide your guests to the garden area.

Are there restrooms and where are they located?

*Mari's Gardens has 3 restrooms located in the front of the farm for guests to use. For larger parties we have noted a portable "lua" vendor that we have used with larger past events. **Events with 75+ guests require a portable rental. This makes it easy and closer for your guests, as well as eases the stress on our plumbing.***

Can we serve and have alcohol at our event?

Mari's Gardens offers a BYOB policy in serving alcohol. A downloadable waiver is on our website should you decide to have an event with alcohol. The signed waiver will need to be turned into Mari's Gardens prior to the event along with the rental agreement and payment.

Thank you for considering Mari's Gardens for your event. Please feel free to contact us directly for any further assistance. See you soon!

Preferred Vendors

We have used these companies for our own events and many private events here at the garden. We support their business because they have all proven to be professional, reliable and have quality products, taste great and really great staff.

Should you need assistance partnering with any of them, please contact [tanya @marisgardens.com](mailto:tanya@marisgardens.com)
